

## Resident Therapist

Samaritan Counseling Center of the Fox Valley, Inc. is fully licensed with the State of WI as an outpatient mental health and AODA clinic. We connect mind and spirit so individuals, families, organizations and communities thrive.

We are seeking a full-time (40 hours/week) Resident Therapist to join our professional team. The position will have some travelling requirements between our offices.

### Responsibilities and Duties

This position reports to the Training Coordinator and is responsible for providing counseling services to individuals, couples, and families. The incumbent will be working in a supportive, trusting, and social culture with diverse people where employees make a commitment to the Samaritan Counseling Center's mission and goals.

Additional responsibilities and duties may include the following, but not limited to:

- Maintain a case load of an agreed-upon number of clients of adults, and/or adolescents, and/or children; number of counseling hours; and/or days of service per week.
- For each assigned case, assess client needs and establish a differential diagnosis, develop and implement a treatment plan, evaluate client progress, and discharge and/or refer client for further treatment, support or education.
- Develop and manage client electronic and paper mental health records from initial session through discharge. Participate in and act on the results of agency quality assurance and utilization review processes.
- Participate in and contribute to case review and case consultation with other clinical staff members and consultants within a multicultural context.
- Participate in and contribute to meetings and continuing education activities.
- Participate in and contribute to practice development by appropriately acknowledging referrals, maintaining existing referral relationships, and developing new practice niches and referral sources.
- Develop and pursue a plan for continuing professional development related to psychotherapy, multicultural issues, bilingual therapy and areas of specialization, and the practice of faith-based/spiritually integrated counseling.
- Satisfy requests for community presentations and appearances, including programming, constituent/donor relations, resource fairs and similar.
- 

### Qualifications

- Graduation from an accredited program with a minimum of Masters degree in counseling, clinical psychology, marriage and family therapy, or social work.
- Experience in AODA counseling is a plus.
- Training, experience, and/or a demonstrated interest in spiritually integrated approaches to mental health practice.
- Full Wisconsin licensure as trainee or ability to be licensed as trainee.
- Ability to understand and articulate multicultural issues that may be impacting your clients care. Samaritan Counseling Center was founded in 1970 and currently located in Menasha, WI. We specialize in integrating spirituality and faith in psychotherapy. Samaritan Counseling Center views your spirit as integral to your emotional healing and growth.
